

CLUB DONATION FORM

The Eastern PA Ski Council is requesting donations from all clubs for the annual auction. In the past we asked for baskets, this year we are opening it up to *all* donations. We prefer that the donations are Ski & Snowboard related but will accept anything. If you prefer to donate a basket your club will have the option of getting a check for 50% of the final auction value or donating the full amount to EPSC. Portion of the auction proceeds will go towards charity. Thank you for your consideration and I hope to meet you at the Expo!
