

Eastern PA Ski Council Presents

WINTER HIGH XC ADVENTURE

February 23th to the 25nd, 2018

Join EPSC for an adventurous winter weekend exploring High Point State Park, NJ. We'll be on Cross Country Skis or Snowshoes climbing the highest Mountain in New Jersey! This trip includes two nights lodging at the Myers Country Motel in Milford, Pennsylvania. When not on skis and snowshoes, all will be exploring the charming river town of Milford and the surrounding tri-state area.

This will be an auto drive up trip, arriving in Milford Friday evening for two nights stay. Depending on your adventure outfitting requirements, this trip includes trail passes at the High Point Cross Country Ski Center for Saturday & Sunday with ski or snow shoe rentals as selected. High adventure requires high energy so a trail picnic lunch and culinary adventure dinner (cash bar) will also be included for Saturday's lunch and dinner. The Water Wheel in Milford will host our group Saturday evening dinner.
