My Trip is not Listed

Can't find your ski trip listed in Snow Drifts? Could be it was never sent to of the staff before the deadlines were really deadlines or when we went web-site searching it was not to be found.

Fear not, all it not lost - **YOU CAN POST YOUR TRIP TO THE NEW AND IMPROVED SKI TRIP LISTING ON COUNCIL'S WEB SITE!**

Web Master, Frank has provided easy instructions on using our on-line database for posting your trips--and the part--instant gratification. Your trip is posted as you enter it on-line.

Frank's instructions:

The web site has an On-Line Database for posting EPSC Club ski trips. The data-

base will allow individual ski clubs to post, edit/update or view their ski trips. The information for the trip is posted immediately. No need to wait for that slow webmaster to get around to posting the trip information.

To access the ski trip database, just go to the EPSC web page www.easternpask-icouncil.org and click on the on-line "Trip Submit Form" link or the "Ski Trips" navigation button on the left. Then click on "View, Post or Edit Ski Trips".

To add a ski trip just click on the "Add New" button at the top left of the web page to the right of EPSC Club Ski Trips. A "Detail View" window comes up. Fill in the blanks for your trip. Be sure to indicate date, days, destination etc. You can even upload "Trip Flyers" in "pdf" format. Then
