The Mack Ski Club, located in Allentown, PA, was formed in September 1971 by management personnel of Mack Trucks, Inc. interested in skiing. Great interest was shown and membership was opened to all Mack employees, their families and friends by the end of the 1971-1972 ski season. The club was incorporated in July 1979 as a non-profit organization. Today, the club has 350+ members.

Mack Ski Club is a family club and offers skiers lift tickets at reduced rates, organizes local day trips, weekly trips to Eastern U.S. as well as a yearly Western trip. Mack also offers skiers the chance to compete by joining the "Mack Race Team". Mack also has social events throughout the winter as well as the summer months.

Mack Ski Club meets the 2nd Wednesday of the month, September through April, at 7:30 PM. at the Masters at Shepherd Hills, 1160 South Kreocks Road, Wescosville, PA.
